Game of 51.

Two players, one at head, one at foot.

Shoot alternating colors, all eight discs. Different color out each frame.

Must get one disc in 10-off to score any points in any frame. Can shoot directly for 10-off only if no discs elsewhere on the board.

10 triangle counts as 10 points, 8 counts as 2 points, 7 counts as 1 point.

First disc in 10-off counts as 10 points. Additional discs in 10-off count as minus 10.

If no disc is scoring in the 10-off, that rounds total score is counted as minus.

Any disc that doesn't reach the deadline or is shot through the kitchen without touching any other disc counts as 5-off.
