

The Future of Shuffleboard

I have been writing and making contacts the past few months in hopes of creating interest in the Florida Shuffleboard Endowment Fund. It is my hope and the hope of the rest of our committee that many of our shuffleboard friends will become interested in this endeavor to help Shuffleboard become the truly great sport it should be. Shuffleboard will make great strides if you will help in this program.

ERNEST E. CARTER, Past President Florida Shuffleboard Ass'n
