

From the Desk of **EVAN McKEEHAN**

"It would be foolish to pretend that I was not vitally interested in the Florida Shuffleboard Association after years of giving it the best that I had to offer.

"Any promotion that helps to make the lives of our fellowman more worthwhile and more contented, deserves the best that I have to give.

"This is my promise to our worthy officials for 1967-68.

"EVAN McKEEHAN,
"Immediate Past President."
