GREETINGS FROM THE PRESIDENT

"As I assume the highest office and honor which you could bestow upon me, I feel both proud, and aware of my many responsibilities. Without your full cooperation, very little can be accomplished.

"No one realizes more than I how important are the sincere efforts of all Club, District and State Officials, coupled with the valuable aid given by many faithful helpers. So, let us all work together, thereby making our Association grow and prosper.

"This message will reach you just as the new season 1967-68 begins. And I take this means of expressing my appreciation to all who have helped in the past, and will continue to do so in the future.

"Yours fraternally,

"Duke Christensen, President,

"Florida Shuffleboard Association, Inc."
