

JACK GLADNEY SAYS:

Be proud you are one of over fifty-five thousand.

If all the people in the world belonged to a shuffleboard club, it wouldn't be hard to have "Peace on Earth." Let us work to retain and improve our State Association. This year we hope to show the people of Florida the real value of shuffleboard to the state. We are going to have thousands of small slips of paper printed that will read. "I am one of over fifty-five thousand members of the Florida Shuffleboard Association who made their money outside of Florida and now spend, bank and invest an amount estimated to be more than two hundred million dollars in Florida each year."

Ask your Club President to get you some of these papers. Hand one to your Banker or any other Mer-

chant you do business with. What would you do to fill in the hours you now spend at your Club. Send one to a radio or television station. Ask your law enforcement people if they ever had any trouble with a shuffleboard club.

Ask the politicians in your district what they would do to keep these people satisfied to stay in their town if they didn't have the Shuffleboard Club to go to. Please get some of these slips and pass them out as you bank or buy. Your Shuffleboard or Tourist Club is worth helping.

Remember these numbers—Fifty-five thousand and two hundred million.
