A SHUFFLER'S PRAYER

*Dear Lord, we thank Thee for this day
When Folks like us, come out and play
A game, that is called shuffle-board
With shuffle cues, and blocks so hard.
When we were young, and in our prime
We never thought, that such a time
Would come to us, when we could play
At shuffle-board, both night and day.*

*And now Dear Lord, we ask Thee please
To guide our hands, and play with ease
To push them straight, and not too hard
To score some points, or clear the board. . .
And if by chance, that we should win
A Trophy, Cash or a Medallion Pin
We will simply smile, and softly say
Dear Lord, this was our **Lucky Day.***
