

LET'S HAVE FUN

Shuffleboard, is a game of fun.

Play by the rules, and you'll have fun.

Obey the referee, they'll then have fun.

Read the rules, I know that's fun.

Talk as opponent shoots, can this be fun?

Stepping on line and get a fine, fun?

Many break the rules, this can't be fun.

Always gripe on discs and court, real fun?

Never use hook shot, who'd call that fun?

Shake a hand, it's lots of fun.

Help your club, it can be fun.

If you lose, it still was fun.

Play and win, WOW, that's fun.
