The Texas State Shuffleboard Association offers its congratulations to the Florida Shuffleboard Association on the tremendous job it does each year in publishing the F.S.A. *PREVIEW*. It is this type of group effort that gives the emphasis to make the game of shuffleboard continue to grow.

We here in Texas are only just starting to promote the game, but we feel that we have had some success with a National Tournament in November of 1985 consisting of Ladies' & Men's Singles and Doubles with 704 entries representing 29 States and 7 Provinces of Canada, with 527 people in attendance at the Awards Banquet. We also feel that our Texas State Association Contribution to the Sixth Annual International Tournament, held in September of 1986 at Fun 'N Sun RV Resort, San Benito, Texas, helped to make that tournament very successful. We are planning another National Tournament for the week of November 15, 1987.

Again, congratulations on a job well done in publishing the F.S.A. *PREVIEW*.
