

THE SCOREBOARD . . .

A place to put down the score.
Your guide to winning or losing.
Can't cause you to lose.
Can help you to win.
Tells you just what to do.
Shows you when you're behind.
Then tells you "Go on the board."
Shows you when you're ahead.
Then says, "Keep the board clean."
The best friend you have.
To be watched and observed.
The best coach you ever will have.
. . . THE SCOREBOARD!
