

Shuffling In the Morning

(to the tune of Top of Old Smokie)

We're shuffling in the morning, I'm sure as can be
We're shuffling in the morning, please come and see.
Some shufflers get cozy and sit real close.
If he gets any closer I'll smash in his nose.
Some shufflers are flirty and really smell good.
Makes that old guy wiggle, he's not thinking of food.
Some shufflers clean courts, some like to block.
With these strong tactics, the score is a shock.
So come to the tourney at the Sebring Rec.
Even if you're a loser you'll receive a check.
Now this is my story and this is my song.
We're shuffling in the morning, so you come along.
